RALLY

SATURDAY, NOV 18 – 2:00 P.M.
MEET AT DELAWARE PARK MEADOW
AGASSIZ CIRCLE ENTRANCE

WHAT HAPPENED IN THE 1950'S?

Construction of the Scajaquada Expressway divided and destroyed acres of parkland in the jewel of Olmsted's system, Delaware Park, and tore apart communities around it.

WHY ARE WE DOING THIS TODAY?

We have a once-in-a-generation opportunity to reverse this mistake and restore Olmsted's legacy – but only if we can convince the Governor to help us Save Delaware Park.

RALLY WITH US IN DELAWARE PARK

Tell DOT to rethink its current short-sighted plan and join with the community on a comprehensive approach.

WE WON'T HAVE THIS CHANCE AGAIN FOR ANOTHER 75 YEARS.
